Mr. Dennis G. Finlay
Town Manager
Smithfield Town Hall
64 Farnum Pike
Smithfield, Rhode Island 02917

Dear Town Manager Finlay:

It is my distinct pleasure to submit to you, Smithfield Police Department's Annual Report for FY 2011-2012.

I am pleased with the accomplishments and progress summarized within this publication. Furthermore, I trust that you, along with Town Council members, residents, and business owners of Smithfield, will find this report to be informative and a fair representation of the dedication and commitment to service that the sworn and civilian members of the Smithfield Police Department exhibit on a daily basis.

Sincerely yours,

Richard P. St. Sauveur, Jr.
Chief of Police

A Nationally Accredited Agency

VISION STATEMENT

The vision of the Smithfield Police Department is to be recognized as the most professional, well-respected, highly-trained, proactive, community-oriented law enforcement agency in Rhode Island.

MISSION STATEMENT

The mission of the Smithfield Police Department is to establish and maintain a proactive partnership with residents and business owners to work together in solving problems facing our community. The success of this mission depends upon a continuous effort to increase awareness and develop higher levels of trust and understanding among police officers and their community.

In furthering this partnership, we pledge our dedication and diligence in protecting life, liberty and property; preserving the peace; and enforcing laws and ordinances. We are committed to improving all aspects of public safety, reducing the fear and incidence of crime, extending and improving our community programs, and maintaining the highest degree of respect for individual rights and human dignity. We are committed to honoring the sacred public trust by ensuring that the Smithfield Police Department adheres to the highest professional law enforcement standards. We shall continuously strive toward attaining excellence, removing barriers to communication, and providing our employees with effective leadership, supervision and training in a quality work environment.

ACCREDITATION

In 1998, the Smithfield Police Department made a voluntary commitment to pursue national accreditation status under the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA). Accreditation provides law enforcement agencies an opportunity to demonstrate that they meet a set of nationally recognized, professional standards, currently 480 in number, which help to strengthen crime prevention programs, formalize essential management procedures, and establish fair and nondiscriminatory practices. During this initial accreditation process, the Accreditation Unit was responsible for the development, implementation, and updating of policies and procedures, to meet or exceed CALEA standards. The Department attained national accreditation status in March of 2001 and was reaccredited in 2004, 2007, and 2010.

To maintain its reaccredited status, and to be eligible for reaccreditation in March of 2013, the Department must remain in compliance with all applicable standards, meet any new or revised standards set forth by the Commission, and undergo a fifth on-site assessment in November, 2012. Such compliance, as monitored, documented and reported (to CALEA) by the Department's Accreditation Manager, ensures that the Smithfield Police Department is meeting or exceeding the highest and most current law enforcement standards in the nation.

COMMUNITY POLICING PROGRAMS

The Community Policing Unit is responsible for the following programs:

DARE ELEMENTARY SCHOOL PROGRAM - The Drug Abuse Resistance Education (DARE) Elementary School Program teaches students about the harmful effects of alcohol, drug abuse, and bullying, and increases their self-esteem by showing positive alternatives of ways to say no to alcohol, drugs and violence. The fifth grade curriculum is an 18-week program with visitations to other grades.

DARE MIDDLE SCHOOL PROGRAM - The Drug Abuse Resistance Education (DARE) Middle School Program reinforces what the students have learned in the fifth grade DARE Program. It also focuses on how to avoid potentially violent situations and relationships. This program teaches students the six universally accepted characteristics needed to promote a high self-esteem and strong character as they become young adults in the community.

SCHOOL RESOURCE OFFICER PROGRAM - In April of 2002, the United States Department of Justice Office of Community Oriented Policing Services announced the availability of federal funds to deploy sworn School Resource Officers (SRO) as part of an overall plan to address school related crime through community policing. The Smithfield Police Department received a grant award of \$125,000 and selected its first SRO. Following a mandatory training period, the first SRO was assigned to the Smithfield High School in the fall of 2003, and has remained an integral part of the school ever since.

PROJECT ALERT AND LOCATE OF SMITHFIELD (PALS) - Project Alert and Locate of Smithfield (PALS) is a program offered to residents who have loved ones whose memory is impaired and may be at risk, if left unsupervised. Participants are given a free bracelet inscribed with an identification number, the person's name, date of birth, and the police department's telephone number. The Department works very closely with the Senior Center, the town's nursing homes, and retirement centers in administering this program.

REFRIGERATOR CARD PROGRAM - The Department offers senior citizens an informational card they can display on their refrigerator. On this card is recorded pertinent information about themselves, such as: their name, date of birth, doctors' names, medication information, emergency phone numbers and medical history. During an emergency, medical rescue crews know exactly where to look for this information. Refrigerator cards are available at the Smithfield Police Department, Community Police Office, and the Senior Center.

SENIOR CITIZEN ADVOCACY - The Community Police Officers serve as the Department's Senior Citizen Advocates. They work closely with the Smithfield Senior Center, Department of Elderly Affairs (DEA) and senior citizens in the community. They assist in the investigations of elderly abuse and elderly self-neglect. They also alert senior citizens of on-going scams and distribute literature explaining ways to protect themselves from crimes.

LAW ENFORCEMENT EXPLORERS POST 17 - The Law Enforcement Explorer Post is a program sponsored by Boy Scouts of America for young men and women, ages 14 – 21. The purpose of the Explorer program is to educate and involve youths in police operations and to interest them in a future career in law enforcement. The Smithfield Explorers meet monthly, are very involved in community service projects, and give back many hours of their time to the town. Explorers are also encouraged to participate in the RI Explorer Academy which is a one-week quasi-military style academy that gives explorers a feel of what recruits experience in the police academy. Smithfield sent five explorers to the 2011 academy held at the Feinstein Youth Camp in Burrillville, RI. The entire academy volunteered to provide traffic control for the annual Smithfield fireworks display held at Bryant University in July.

SMITHFIELD SUBSTANCE ABUSE PREVENTION COALITION - The Smithfield Police Department works closely with the Smithfield Substance Abuse Prevention Coalition. The coalition conducts substance abuse prevention programs and meets monthly at the Smithfield High School. The Department assigns members of the community policing unit to serve on the coalition. The department has greatly benefited from this partnership, as it has received several grants, which are administered by Tri-Town Community Action.

ALCOHOL SERVER TRAINING PROGRAM - The Community Police Officers have been certified as alcohol server training instructors, and are available to provide training to local liquor establishments. Consistent with Rhode Island General Laws, all persons who sell or serve alcoholic beverages, anyone serving in a supervisory capacity over those who sell or serve alcoholic beverages, anyone whose job description entails the checking of identification for the purchase of alcoholic beverages and valet parking staff must receive such training every three (3) years.

CAR SEAT INSTALLATION CLINICS - The Smithfield Police Department has several car seat technicians available to instruct residents on the proper installation of child restraint systems - at no cost. This is for Smithfield residents and done by appointment only.

R-U-OK PROGRAM - The R-U-OK Program is a computerized telephone reassurance program offered free to the senior citizens of Smithfield. The telephone computer system will make a daily call at the hour of their choice, everyday, all year long. A pre-recorded message calls them and asks if they're OK, and if they are, they simply hang up. If for any reason they do not answer, the phone will print out an "Alert Report" to the police. A police officer will then respond to the home to determine if there is an emergency or need for medical assistance.

CITIZENS' POLICE ACADEMY - The Citizens' Police Academy is a program that provides Smithfield residents with insight into police operations. Participants are introduced to a wide variety of the Department's functions through classroom instruction and hands-on experience. This is an 8-week program that meets for two and half hours, each week.

CITIZENS' "HIGH SCHOOL" POLICE ACADEMY - Smithfield High School Students were invited to a behind-the-scenes look at the Smithfield Police Department as part of the Department's first academy for high school students. Eighteen students participated in a 7-week program which introduced them to a variety of the Department's functions and included classroom instruction, hands-on experience and guest speakers from outside agencies.

FEMALE SELF-DEFENSE PROGRAM - The Female Self-Defense Program is geared to educate participants on how to avoid being targeted and what action to take if selected as a victim; it is not intended to turn participants into martial arts experts. Participants must be Town residents or business owners and at least 18 years of age. This is a 4-week program which meets for two hours, each week.

LEADERSHIP ACADEMY - The Smithfield Leadership Academy is a joint effort between the Smithfield School Department and the Smithfield Police Department aimed at Smithfield youth, providing them with guidance and support to become successful adults. This two-week summertime program includes field trips, and numerous activities.

SAFETY VISITATIONS - The unit visits daycare facilities and provides the children with a safety lessons. They also host several groups such as the Boy Scouts and provide safety lectures as well as a tour of the police station.

NATIONAL NIGHT OUT - The Department once again partnered with the Crossings at Smithfield businesses and the community to deliver another fun-filled "National Night Out" against crime. The event has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for a safer community.

DELIVERY OF TRAFFIC SERVICES

The goal of the Smithfield Police Department's Traffic Services Program is to promote the safe, orderly and expeditious flow of vehicular and pedestrian traffic, and deliver traffic-related services designed to reduce the number of traffic collisions. The Department's Uniform Division enforces traffic laws in a consistent and courteous manner to foster a positive public image, while providing all necessary police traffic-related services. Additionally, the Department enjoys a close working relationship with the Rhode Island Department of Transportation and the State Traffic Commission, along with the Smithfield Department of Public Works and the Town Traffic Safety Commission. These relationships promote close coordination and cooperation, which are essential to the maintenance of a safe and effective highway system.

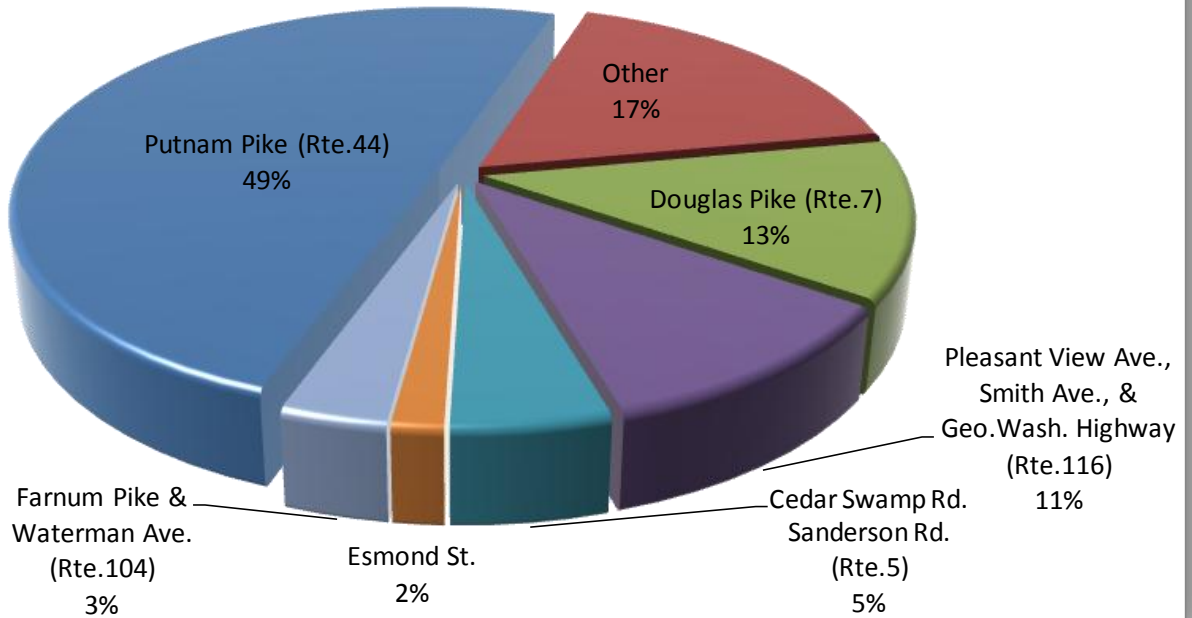

The Smithfield Town Traffic Safety Commission was established pursuant to Section 13-16 of the Smithfield Code of Ordinances. The Commission consists of a member of the Smithfield Town Council, a member selected by the Town Council, as well as designees from the Police Department, the Fire Department, and the Department of Public Works. The Commission handles complaints and suggestions concerning traffic control devices, parking regulations and deficiencies in the town roadways located within the Town of Smithfield. The Commission also makes referrals to the State Traffic Commission relating to the State roadways within the Town of Smithfield. Department members provided testimony at public hearings during the past fiscal year.

The Department continues to use its Speed Monitoring Radar Trailer and Variable Messaging Sign to raise motorists' awareness of their speed and to convey other important safety messages. The Department deploys these units on a daily basis in various areas of the town. The Department maintains ongoing covert traffic enforcement operations with its unmarked police cruiser, and continues to participate in regional and national campaigns that specifically target speeding, drunk-driving, safety belts usage, and texting while driving.
